Childcare EDUCATION delivered following the VEYDLF 5 key Outcomes

Children

- * Have a strong sense of identity
- * Are connected with and contribute to their world
- * A strong sense of well being
- * Are confident and involved learners
- * Are effective communicators

Our Child Education Program is designed to encourage growth and cultural development in children aged 3mths-6yrs.

We ensure your child's developmental needs are met, paying particular attention to the interests and experiences of each child and the sensitive needs of the individual.-follow the 5 key outcomes, above.
We understand the importance of care and education for children and have ensured our centre provides a pleasant and stimulating environment.

Our Child Safe Commitment:

We support and respect all children, as well as our staff and volunteers.

We are committed to the cultural safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued.

We support the cultural safety of children from a culturally and/or linguistically diverse background.
We support and providing a safe environment for children with disability, emotional trauma and Behavioral needs.
